

This wreath is from a free pattern from Maywood Studio, but I've streamlined the directions for making just one block.

The basic technique is the make the center star H (with other pieces F-1, D-1, D-2, J). On the next page I have the schematic for that, but for the rest, refer to the Cutting Chart below. All directions are for one block.

*All seam allowances are a scant 1/4"*

	Piece	How Many	CUTTING Dimension
<b>A</b>	wreath	2	3.5" x 12"
<b>B</b>	background	4	3.5" square (snowballed onto corner)
<b>C</b>	background	2	2" x 3.5"
<b>D</b>	ribbon	1	3.5" x 4.5"
<b>D-1</b>	ribbon	2*	*See directions on next page.
<b>D-2</b>	ribbon	2*	*See directions on next page.
<b>E</b>	wreath	2	2" x 4.5"
<b>F</b>	background	2	2" (snowballed onto corner)
<b>F-1</b>	background	2*	*See directions on next page.
<b>G</b>	banner	1	3.5" x 6.5"
<b>H1 + H2</b>	Star colors	Center Star	*See directions on next page.
<b>J</b>	background	2	2" x 2"

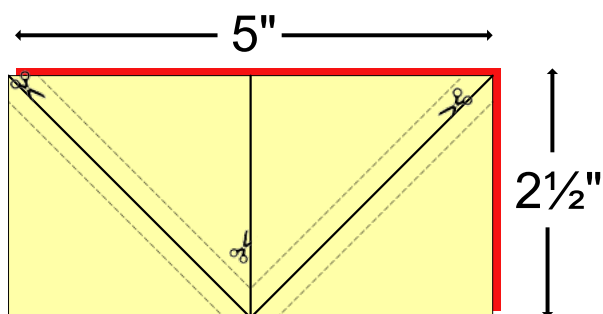

*REVISED Wreath guide sheet, drawn by Elizabeth Eastmond, from Maywood Studio pattern.*

Below is a chart for your HST combinations. The measurement for that little square J is 2" square.

For 2 HST: cut a **2.5" square** of each color. Make HST as usual. Trim down to **2" square**.

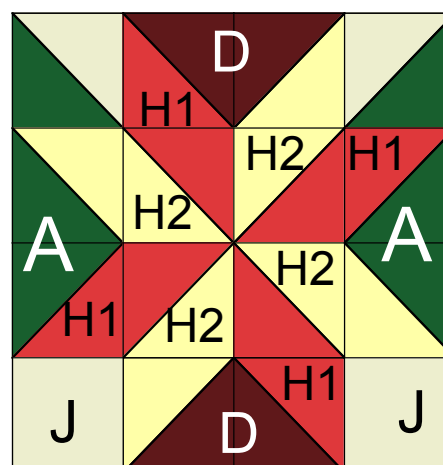

# of HST	Color combinations
2	Wreath A & Background (B)
2	Ribbon D & H1 (star color—shown as yellow, below)
2	Ribbon D & H2 (star color—shown as red, below)
2	Wreath A & H1
2	Wreath A & H2
4	Star Colors H1 & H2

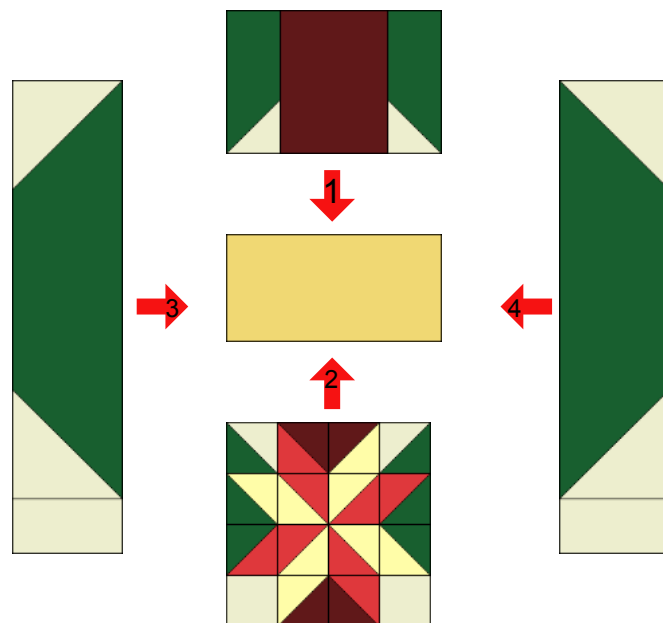

For 4 HST: cut one 2.5" x 5" piece of each color. Draw in the solid lines, then stitch in a V-shape on dotted lines shown above, 1/4" away from the drawn solid lines.

Cut apart on solid lines, press to the dark, then trim to 2" square each.

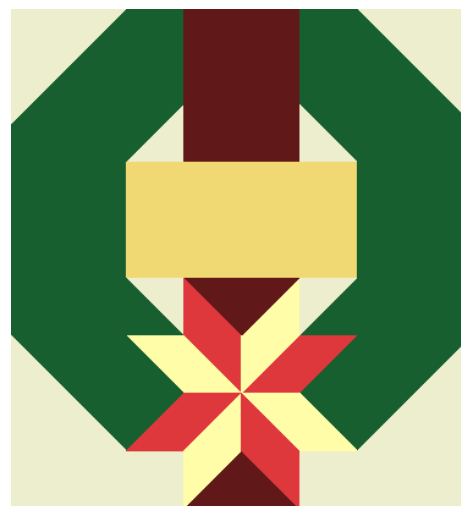

Please trim the unfinished star to 6.5" before setting it into the larger wreath.

To put this together:

1. Snowball Blocks B (4 of them) onto either end of two Piece A. Press and trim. Sew one Piece C on the lower edge of each, making sure they look like the illustration above.
2. Snowball Blocks F (2 of them) onto one end of two Piece E, making sure the slant in opposite directions. Sew these to either side of Ribbon Piece D. Press.
3. Make Star Square (page 2), trimming it to 6.5" before proceeding.
4. Sew as indicated above: Star Square to Banner (Piece G). Sew unit from Step 2 to other side of Banner. Press toward Banner.
5. Sew side pieces of wreath onto center unit. Press toward wreath sides.
6. Trim to 12.5" x 13.5".
7. Don't forget your signature block!

**Block size (w/ s.a.) 12.5" x 13.5"**
