

# Propeller

FINISHED BLOCK: 9"

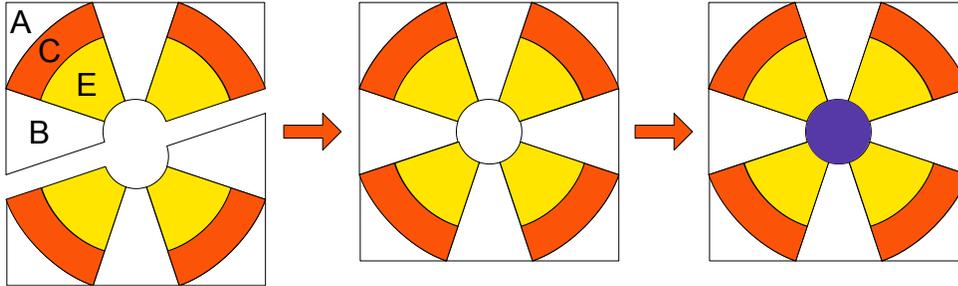

Cut four of each main propeller piece.

Cut 1 of Center F.

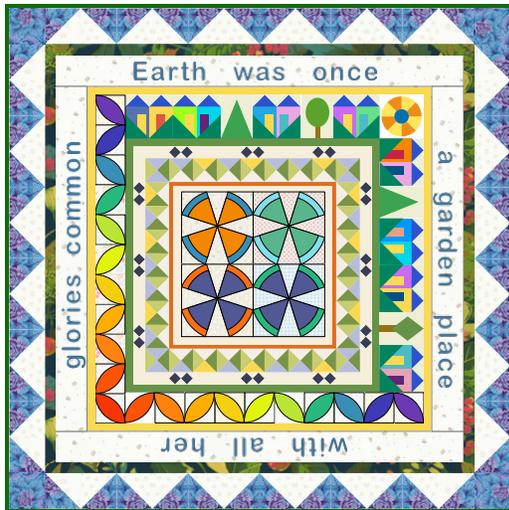

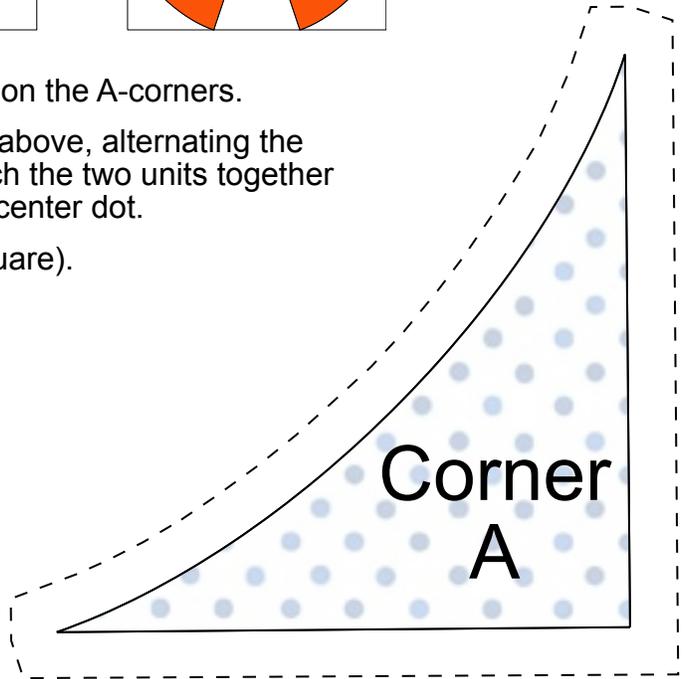

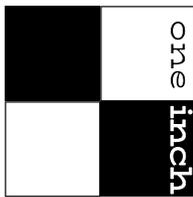

# Propeller

Stitch all C pieces to E pieces, then add on the A-corners.

Assemble into two segments, as shown above, alternating the ACE-segments with the B-wedges. Stitch the two units together (middle illustration). Appliqué down the center dot.

Trim to 9 1/2" (finished block will be 9" square).

final quilt: 62" square

Write if you have any questions.
