

20" Pinwheel Sawtooth Star

Pattern by Elizabeth Eastmond | OPQuilt.com

Outer four corners are cut $5 \frac{1}{2}$ " square

Cut inner pinwheels at $4 \frac{1}{2}$ " square,
Then cut in half diagonally.
After assembling each quadrant,
center the ruler, then trim to $5 \frac{1}{2}$ " square.
Sew four quadrants together.

For Outer Flying Geese, cut:
1 large $11 \frac{1}{2}$ " square
4 smaller 6" squares
